

Teacher Feature

Kate Robison is a proud graduate of District 28 schools and is thrilled to be back as a fourth grade teacher at Meadowbrook. “I have felt nothing but welcomed,” she said.

Miss Robison attended Greenbriar Elementary School, Northbrook Junior High and Glenbrook North High School before heading to the University of Iowa. In 2014, she was a student teacher at Meadowbrook for Mrs. Barus whom she credits for giving her a great deal of responsibility so she could begin teaching. Miss Robison comes to Meadowbrook this year from Pleasant Ridge in Glenview where she was also a 4th grade teacher.

During her spare time, she loves to cook and is “obsessed” with the show *Chopped*. She spends time searching for recipes on Pinterest and follows a lot of food bloggers. Her favorite dishes to cook are Asian, including stir-fry and curry. She also enjoys creating pasta sauces from scratch.

Miss Robison is close with her college friends and plans two trips a year together, so they can all stay in touch. Next stop: New York City.
